

Since 2004, AGT has been a resource to provide its expertise and capabilities in support of a wide range of strategic initiatives for clients. From HR policies and manuals, product and training manuals to transcriptions, legal documents, websites, marketing promotion and communications, AGT truly lives up to its ability to go beyond the word to effectively and efficiently deliver the intended message.

Focused Language Disciplines:

AGT has processes, disciplines, methodologies with depth of expertise and experience in the following languages for translation and interpreting assignments:

Avantgarde has a network of pre-qualified expert translators trained in our proprietary process for effectiveness and accuracy in more than 100 popular languages.
